HYMN “Day by Day”

Day by day, your mercies Lord attend me,
Bringing comfort to my anxious soul.
Day by day, the blessings Lord you send me
Draw me nearer to my heav’nly goal.

Love divine, beyond all mortal measure,
Brings to naught the burden of my quest;
Savior, lead me to the home I treasure,
Where at last, I’ll find eternal rest.

Day by day, I know you will provide me
Strength to serve and wisdom to obey;
I will seek your loving will to guide me
O’er the paths I struggle day by day.
I will fear no evil of the morrow,
I will trust in your enduring grace.
Savior, help me bear life’s pain and sorrow
Till in glory I behold your face.

Oh, what joy to know that you are near me
When my burdens grow too great to bear;
Oh, what joy to know that you will hear me
When I come, O Lord, to you in prayer.
Day by day, no matter what betide me,
You will hold me ever in your hand.
Savior, with your presence here to guide me,
I will reach at last the promised land.

HANNU KALVERO ROUHIAINEN

Hannu Rouhiainen, age 64, passed away peacefully on July 12th, 2026, in Richmond, Texas after a long-term battle with Multiple Sclerosis. He was a caring husband and father, and he passed, surrounded by the love of his family.

Born in Kuusankoski, Finland on October 20th, 1961, Hannu lived his life always looking for new experiences and adventure. After serving in the Finnish Defence Forces and graduating with a master's degree in electrical engineering, Hannu traveled to the United States to explore new and exciting job opportunities in Wisconsin. There, he met and fell in love with his wife of 34 years, Sandra. Together, they raised a family that became their pride and joy: Adam (Aryel) and Mary (Frank). After moving to Texas in 1998, Hannu worked as a computer scientist for Halliburton for 12 years before retiring.

Before MS limited his mobility, Hannu loved spending time outdoors and was always looking for new experiences to enjoy with his family, from exploring the mountains of Big Bend National Park, learning new historical facts at national landmarks across the country, and visiting every museum he could. After retiring, Hannu embraced learning new hobbies. He found joy in painting and became an active member of the Katy Amateur Radio Society, where he connected with others over their shared interest in radio technology. His happiest memories were always the ones with Adam and Mary: playing video games, swimming outside, going on bike rides, travelling to Disney World, and watching them graduate college.

Hannu will be remembered for his curiosity, perseverance, and devotion to his family and his faith. His family and friends will miss him dearly.
